## NO PROGRESS TOWARD NEW TAX PROGRAM

**BULLETIN**  
Washington, Oct. 18.—(P)—House-Senate conferees agreed today on a new compromise \$5,700,000,000 tax bill. The proposed individual income tax increases are slightly smaller than in the bill turned by the house earlier this week.

Washington, Oct. 18.—(P)—Administration leaders today hope for a new compromise on a multi-billion dollar tax increase, the master key to quick adjournment of congress. The peace-makers seemed cautiously optimistic of working out a measure mutually acceptable to the senate and to the Republican-Northern Democratic combination that trounced the original \$5,732,000,000 compromise tax bill in the house Tuesday.

The conferees were called back into session after an exploratory meeting yesterday which produced no tangible results.

Democratic leader McCormack of Massachusetts told the house after that meeting "it is hoped" that a new compromise will be ready by Friday. If that happens, and if prompt senate and house approval are forthcoming, adjournment would still be possible on Saturday, as originally planned.

The four Democrats on the house conferees delegation consulted with staff aides and treasury experts on possible revisions. There were no public reconciliation moves by their three Republican colleagues, or from the five senate conferees.

While a dozen possible "package" settlements were rumored around the capitol, the men trying to settle the dispute confronted some tight specifications.

An attempt had to be made to satisfy (1) Republicans who want no tax increase or who consider the proposed rate too high, and (2) a bloc of Democrats who insist the original compromise hit the low income groups too hard and let off corporations and wealthy individuals too lightly.

## HIGHWAY MYSTERY

Washington, Pa., Oct. 18.—P—Police awaited the results of an autopsy today to determine how Hollie Nester, 50, of Washington, met death on a rural highway near Loggville school. Two teen-age boys found the body yesterday. State Police said the back of Nester's shirt was torn and papers from his wallet were scattered over the area. There was six cents in his pocket.

## Recent World Series Is Worth \$6,446 To Each Member of New York Yankees

Cincinnati, Oct. 18.—(P)—The recent World Series was worth \$6,446.00 to each New York Yankee who received a full share, the baseball commissioner's office announced today. The Yankees won the series.

A full share for the losing New York Giants amounted to \$4,951.03.

The Yankees voted full shares to 31 members; four others got \$4,834.57 apiece; one was voted \$3,223.04; nine members of the organization \$500 each and two others \$300.

The Giants voted full shares to 29 players; \$2,475.51 to two others; three were voted \$1,650.34 each; one got \$1,000; three others \$618.87; and two others \$309.45.

The victorious Yankees received a total of \$235,436.19, while the Giants' share amounted to \$156,957.46.

The players participated in the receipts of the first four games of the six-game series.

The second place Cleveland club in the American League divided \$42,042.18, so that a full share was worth \$1,334.77.

The second place Brooklyn club in the National League divided the same amount of money so that a full share was worth \$1,345.35.

Full shares for the third place Boston Americans amounted to \$812.50, while the St. Louis Cardinals of the National circuit divided their divvy of the loot so a full share amounted to \$859.33.

The fourth place Chicago Americans and the fourth place Boston Nationals each voted full shares to their members of \$412.18.

## BUSY ON DRIVE

J. K. Bell and Carl Whipple, co-chairmen in the Government and Schools Division of the Community Chest, Red Feather campaign, which opens officially next Monday, have received their work material and have started solicitation in federal, state and borough offices as well as in the entire borough school system. Dr. Robert Israel, James Elomquist and Don Schuler have assumed responsibility for chest fund solicitation in the Warren State Hospital and North Warren.

## President to Make Public His Decision on Whether He Will Run When It Is "Expedient"

Washington, Oct. 18.—(P)—President Truman said today he will make public his decision on whether he will run in 1952 when it is politically expedient. He emphasized he will choose his own time for the announcement and indicated it would not be before mid-January.

The president said he will be busy from now on preparing his three annual messages to congress, which will start its second session Jan. 3.

Mr. Truman also told his news conference that he stands on his previous statement that Soviet Russian agreements are nothing but scraps of paper. This was in response to a request for comment on Soviet foreign minister Vishinsky's statement that it is hardly possible that relations between the U. S. and Russia can be worse in view of the president's "scrap of paper" remark during a recent speech.

In commenting on a list of campaign issues presented by Senator Taft (R-Ohio), the president said he is against him, too.

Taft said, in announcing his candidacy for the GOP presidential nomination, that the issues would be liberty from socialistic controls, honesty and integrity in government, and "mistakes" in judgment on foreign relations.

On other subjects Mr. Truman said:

1. General MacArthur's assertion in Miami that he had "unquestionably wrecked" a secret plan to let Formosa fall to the Communists and permit Red China to enter the United Nations, is not based on fact and the general knew it.

2. William M. Boyle, Jr., quit as Democratic national chairman because of health. The president said he has not had time to think about a successor to Boyle.

3. He wrote Senator Taft saying he understood the Ohioan had thrown his hat into the presidential ring and was sure Taft was going to have a lot of fun from now on.

4. He hopes congress will pass a tax increase bill because of its tremendous effect on the budget.

## Official Predicts School Taxes Will Go Much Higher

Harrisburg, Oct. 18.—P—Higher school taxes in many Pennsylvania communities next year were predicted today by an education official.

Preston O. Van Ness, executive secretary of the State School Directors' Association, said the boosts will be necessary to meet climbing school costs.

Van Ness said the prospect of increased taxes by many school districts is assured even though legislation is now pending before the general assembly which would boost local school subsidies by \$400 in the next year.

The higher subsidies would be used to help finance a proposed boost in teacher pay levels. A bill is now awaiting action in the general assembly which would grant all of the state's 60,000 public school teachers a blanket \$200 salary increase.

The increase would be retroactive to the beginning of the school year if passed, and would be on top of a \$200 raise granted most teachers this fall under the existing state law.

Van Ness said the teacher pay increases have in most cases out-paced the state's contributions to local school districts.

Meanwhile, a study of school finances by the Pennsylvania Economy League showed that the state has scheduled teacher salary increases running for as many as nine future years without arranging for accompanying state aid increases.

## SOTHERS UNDER BRAN

Washington, Pa., Oct. 18.—P—Joseph H. Malone, 46, smothered death yesterday when he fell into a bran bin at the Harper Feed Mill while trying to recover a shovel.

## Public Invited to Outstanding Penn'a Week Program at Court House Tonight

The Junior Chamber of Commerce in cooperation with the Pennsylvania Week Committee has arranged an outstanding program for tonight's public meeting in the Warren County Court House and is hoping that a large audience will be in the court room at 7:30.

The program will be opened by Harry F. Schmidt, president of the Jaycees and the invocation will be given by the Rev. C. W. Baldwin, pastor of Grace Methodist church. The Warren Boy Choir will then be presented in a program of songs, under its director, Byron Swanson. After remarks by Ralph E. Sires, county chairman for Pennsylvania Week, the dedication of the new Pennsylvania State Flag will take place. The new flag has been purchased by county commissioners, George Seavy, L. L. Johnson and William Olney who will present it to Judge Allison D. Wade.

The program will conclude with an address on Communism by Harry Alan Sherman, Pittsburgh attorney. The committee is proud to have Mr. Sherman as the speaker inasmuch as he has become nationally famous for his fight against Communism. He is attorney and counsel for Matt Cvetlic who exposed the Communist ring in Pittsburgh and is chairman of Americans Battling Communism, which he helped organize in 1945.

Tonight's program is open to the public with no charge and is the climax to a week of activities arranged by the local committee to honor the commonwealth of Pennsylvania here in Warren county.

## Russia Turns Down U. S. Proposal That She Act to Help Arrange An Armistice

## U. S. CAVALRY CLEARS HILLS OF CHINESE

By The Associated Press  
U. S. 8th Army Headquarters, Korea, Oct. 18.—Chinese suddenly abandoned a series of key hills in western Korea to attacking Americans today. But they stiffened against Allies cranking forward toward their Kumsong stronghold in the center.

Troops of the U. S. First Cavalry Division overran four hills northwest of Yonchun almost unopposed.

The Americans had been fighting for the ridge line for two weeks in one of the bloodiest small actions of the entire United Nations autumn offensive. Chinese deserted the western hills during the night after beating off a series of flame-throwing attacks Wednesday.

The Doughboys fanned out over the charred, artillery-scarred ridge virtually without firing a shot.

The unopposed advance placed the Cavalry troops about two miles in front of their positions of October 3 when the U. N. western offensive started.

A front line officer said the operation "to all practical intents and purposes is complete."

Three Allied divisions punched out gains of a quarter to three-quarters of a mile in the heaviest action of the week-old offensive.

In rugged mountains to the east Allied infantrymen attacked a towering, craggy peak. Their morning assault was unsuccessful.

South Korean troops on the east coast beat off two brief Red counterattacks south of Kosong with the help of the U. S. Destroyer Walker.

The Navy reported the battleship New Jersey, flagship of the Seventh Fleet, killed more than 500 Reds Wednesday while supporting Allied troops. The battleship sent 150 tons of high explosives hurtling from its big guns against Red concentrations 18 miles inland.

## RULES SELF-DEFENSE

Uniontown, Oct. 18.—P—Alderman Robert E. Hopwood dismissed a murder charge against Harry Garrett, 55, of Uniontown, when a coroner's jury ruled he acted in self-defense October 8 in the knife death of Herschel D. Palmer, 45, of near Uniontown.

## Plaques for Four More Native Sons

By The Associated Press

Four more distinguished native sons today receive the Pennsylvania Week ambassador plaque and scroll at ceremonies in their home towns.

Native Keystone Staters cited for winning success in other parts of the nation were:

William C. Decker, president of the Corning Glass Works, Corning, N. Y., honored at York.

Dr. William J. Gies, New York, lauded at Manheim, where a parade and full day of festivities prevailed.

Dr. Philip S. Hench, Mayo Clinic, Rochester, Minn., feted at Pittsburgh.

Rufus E. Zimmerman, vice-president of United States Steel Company, hailed at Mount Pleasant.

So far seven other Pennsylvania ambassador ceremonies have been held. An additional one is scheduled for tomorrow when Brig. Gen. George W. Smythe, Army general staff, Washington, D. C., will be honored at Norristown.

## BANKER UNDER FED. JURY INDICTMENT

Pittsburgh, Oct. 18.—P—Guido D. Vernucci, the first of five New Kensington bankers charged with embezzlement, is under federal grand jury indictment today.

Vernucci was arrested by FBI last January 11 and charged with taking \$3,799 from the First National Bank of New Kensington.

Later W. Paul Smeltzer, assistant cashier, Otto Raymond Groffend and George Schiarelli were arrested on similar charges. The FBI said the cases are not related.

The fifth New Kensington bank arrest for embezzlement is Ludwig R. Schlekat, president of the Par-nassus National Bank.

**PENNSYLVANIA WEEK VISIT**—Staff Member Allen Anderson (left) explains operation of the Fairchild photo-engraver to 11 teachers from Warren schools who toured the Times-Mirror plant yesterday. Other groups of teachers visited 10 industries and businesses in connection with the Business-Industry-Education day program, a feature of Pennsylvania Week. Visitors to the Times-Mirror were Miss Frances Peterson, Miss Marie Gaghan, Mrs. Anna K. Lawson, Miss Jean Gross, Miss Janice Markley, Mrs. Dorothy Bufton, Miss Phoebe Finley, George Fritz, Robert Young, Mrs. Gerda Lawrence and Francis Johnson. (Times-Mirror Photo)

## Pa. Week Business-Industry-Education Day in Warren Declared Huge Success

The Pennsylvania Week Business-Industry-Education Day banquet held last evening at 6:30 o'clock at the YWCA, with Warren teachers, representatives of industries and Pennsylvania Week Committee in attendance, was pronounced by all an interesting and unqualified success.

Dr. Carl Whipple, superintendent of Warren schools, and chairman of the B-I-E Day activities, welcomed the group and praised the local Pennsylvania Week activities. Also introduced with words of commendation was William E. Rice, council president, and co-chairman of the B-I-E Day group.

During his introductory remarks, Dr. Whipple explained how much he enjoys Warren and Pennsylvania, and said he was certain the teachers had an interesting day. He extended an invitation to the representatives of the industries to visit Warren High School and Beauty building, suggesting that they try to arrange to be guests at either building some noon during Education Week, and advised that they would be contacted regarding this project later.

Mr. Whipple said he hoped the visits to the schools would bring as much pleasure to the business men as much as the teachers had enjoyed visiting the various plants during the afternoon. He said he was proud to be a Pennsylvanian, adding "We should all take pride in our state," listing a number of "firsts" for the Keystone State.

He said "Pennsylvania, particularly in October, just cannot be beaten anywhere in the country." Among the many "firsts" for which the state is noted he cited Indian reservations, oil industry, many leading businesses in the nation, such as steel, as well as agriculture.

Upon his introduction, Chairman Sires expressed deep appreciation and a "thank you" to all the people (Turn to Page Twelve)

## Plane Carrying 23 Hits Mountainside

Nanaimo, B. C., Oct. 18.—(P)—A Queen Charlotte Airlines plane, laboring futilely at full throttle to gain altitude, crashed into the side of a mountain 10 miles from here last night, carrying 23 persons to their death.

The victims were 30 miles from their destination at Vancouver, B. C., nearing the end of a south-bound 400 mile flight from Kemsno, when the twin-engine craft hit the rocky side of 5,000 foot Mount Benson. All those aboard except the three crew members were believed to be loggers and construction workers.

The accident was witnessed by Keith Price, operator of a power station near this city, which is 150 miles northwest of Seattle.

## Disastrous Fire Sweeps Almost 100 Acres Near Big Bend Before Subdued

Brought under control at 6:10 a. m. today was a disastrous woods fire which swept between 75 and 100 acres of medium growth on the old Atkins farm at Big Bend. Twenty men were engaged in fighting the blaze which was controlled only after it had reached the plateau on top of the high hill at the base of which it began.

Reported to the Warren dispatcher by Mrs. Blanche Brownell at 12:50 p. m. Wednesday, the blaze had gained considerable headway in the vicinity of the Tuttle town bridge by time the crews arrived. The Pennsylvania railroad turned out two crews under Dan Filhis of Warren, and Frank Cataldo of Kinzua. Wardens Stephen Pees and Charles Lane turned to with their crews while A. H. Vogler, district forester, Inspectors J. S. Pees and Dan Mourer were also on the job.

Because of the steepness of the area burned, the men were handicapped considerably and the fire broke out again during the night when smoldering logs broke loose and rolled over the fire lines to start new conflagrations. The fire was confined to a wooded area and no buildings on the Atkins place, which is the ancestral home of Mrs. Brownell, were endangered.

Mr. Vogler again emphasized today that extreme caution must be exercised by hunters and transients who may be in the woods at the present time. He said the forests are as dry as tinder, and any stray spark from a cigarette or a campfire may start a disastrous fire which may require days of control and cause thousands of dollars damage.

## PUBLISHER BEREAVED

## PROPAGANDA IS SEEN IN NEW MOSCOW NOTE

**BULLETIN**

Moscow, Oct. 17.—P—A new Soviet-American exchange of statements revived talk in Moscow diplomatic circles today of the possibility of a new foreign ministers meeting. The speculation was occasioned by Russian Foreign Minister Andrei Vishinsky's concluding statement that the Soviet Union "agrees to examine with the participation of the government of the U. S. A. all important and unsettled questions and to discuss measures for the improvement of international relations including relations between the Soviet Union and the U. S. A."

Washington, Oct. 18.—P—Moscow has rebuffed a secret U. S. proposal that she act to bring about an armistice in Korea, offering instead to talk over the general causes of East-West tension. Initial State Department reaction was that this offer was propaganda, but the wording of the Russian note was such as to set off guessing among diplomats as to whether the Kremlin is sincere.

Moscow and the State Department disclosed last night that Ambassador Alan G. Kirk on October 5 made the approach for Soviet intervention to end the deadlock between United Nations negotiators and the Communists.

Soviet Foreign Minister Andrei Vishinsky gave no direct reply, but he noted that Russia is "not a party to these negotiations."

He also: (1) charged the U. N. command created the cease-fire stalemate with "all kinds of incidents"; (2) supported the North Korean-Chinese position regarding a truce line in the area of the 38th parallel; and (3) offered the Soviet's "full and energetic support" of measures for "the successful conclusion of negotiations"—successful presumably from the Red viewpoint.

Vishinsky also questioned the good faith of assurances from Kirk that the U. S. and its Western Allies are aiming only for defense and have no "aggressive designs" on Russia or any nation. Vishinsky commented tartly that "this sort of statement" is contradicted by actions "which show that the government of the U. S. A. is not at all concerned with the maintenance of peace."

As examples, he complained of (Turn to Page Sixteen)

## K. of C. Tourney Starts This Week

The Pennsylvania Knights of Columbus tennis tournament will get under way at the Penn Bowling Center this weekend, with local squads to open the firing.

Doubles and singles matches are booked for Saturday afternoon and evening, starting at 2 o'clock, while five-man team firing is slated for Sunday at 6:45 and 9 p. m. Thirteen teams representing the Warren K. of C. Council will compete in the tourney.

The tourney firing will continue for the next several weekends, with some 140 expected from Philadelphia, Altoona, Erie, Titusville, Kane and other communities.

## Scouts Helping Put Out Chest Posters

E Rutledge Sanford, local Boy Scout executive, has assumed responsibility for distribution of Community Chest window posters to the retail stores. Today and tomorrow he will have Boy Scouts of the local troops deliver these posters to retail dealers all over town and urge the stores to display them in their windows next week during the Community Chest campaign for \$54,400.

This window poster displays the significant Red Feather and the words "Everybody Benefits - Everybody Gives." The Boy Scout organization is one of the important participating agencies of the chest.

Pittsburgh, Oct. 18.—(P)—A blaze of gunfire ended the life of a 37-year-old Pittsburgh man on the Pennsylvania Turnpike as he sought aid from an attendant at an interchange turnstile in nearby Monroeville.

Police said Andrew J. Pfister, of the Carrick district, toppled from the driver's seat fatally wounded by five .38 caliber slugs last night as an unidentified man leaped from the car and ran into the woods.

County detectives said the assailant had apparently kidnapped Pfister at gun point and then prevented him from appealing to the turnstile attendant by shooting Pfister.

The attendant, John F. Sands, told police the man fired one shot into the office as he fled. Police quoted Sands as saying:

"When I reached over to hand the driver a Turnpike trip ticket, he opened his mouth to say something. At that minute, the other man opened fire."

## Two Dead From Whippings Received At Gathering of Weird Cult in St. Paul

St. Paul, Minn., Oct. 18.—P—The second victim of a frenzied religious cultist died early today as members of the weird sect sought to explain their whipping rites by quoting Bible passages.

Her back a mass of bloody welts from repeated lashings with a three-foot-long whip, Mrs. Ardith Lennander, 35, succumbed. Mrs. Anna Halvorson, 64, who had also been whipped, was found dead yesterday.

Sheriff Thomas Gibbons was holding without charge Mrs. Lennander's husband, Curtis, 33, who, the sheriff said, freely admitted in a tape-recorded statement that he whipped the two women during a sect meeting Monday night.

Sect members pointed to the words of Proverbs (20:30) in an effort to explain the whippings. The passage says, "The blueness

of a wound cleanseth away evil and so do stripes the inward parts of the belly."

"I know I am absolutely guilty; I was in a frenzy; I beat them for wrongdoing and almost always a person who gets it admits it. It drives out the devil."

Dr. A. M. Lundholm, deputy coroner, said an autopsy showed all of Mrs. Halvorson's right ribs were broken as well as one on the left side, and her breastbone. He said her body was covered with welts and blood clots.

Gibbons said Lennander used a three-foot whip to beat his wife and Mrs. Halvorson at the Monday night meeting at the home of Mr. and Mrs. Pat Doyle in suburban Lauderdale. About a dozen members of the cult were present. Mrs. Doyle, a daughter of the dead woman, is held as a material witness.

# Study Corry Site For Proposed New Jr.-Senior School

Corry Journal: A 40-acre plot at the rear of the Harding School on East South street loomed as the most favorable spot for erection of a new joint Junior-Senior High School if members of the joint school board decide on that project.

Members of the Corry and Columbus and Concord township boards along with Solicitor Frank McKnight, Supt. Lawrence Douglas, Secretary S. E. Anderson and

Architect Walter Campbell visited the Harding School location along with a site on Wayne street opposite Raymond avenue and one on Worth street at the rear of Mead Park.

Generally, it was felt that both the latter locations did not compare with the First ward acreage which is located 1/2 of a mile from the railroad passenger depot.

Mr. Campbell recommended that the separate boards consider the three building projects outlined at

## FALLS FROM CAR

Troy, three-year-old son of Mr. and Mrs. Elvin Eshelman of Corry RD, is in "fair" condition in the Corry hospital after he apparently leaped against the door handle of the family car and was hurled onto the highway Monday after the auto door opened. His mother was driving. He was treated for numerous lacerations, including a four and one-half inch cut on the scalp.

# Students at North Warren Observing Pennsylvania Week

Pupils of North Warren School are participating in many activities in their observance of Pennsylvania Week. First grade children, with their teachers, Mrs. H. Lena Iseman, principal of the school, and Mrs. Kathryn Joy, will visit the fire station at North Warren and will take a walk to locate streets, stores, the post office, and Conewango Creek.

Mrs. Mabel Sponsler's second grade will learn about famous people important in Pennsylvania's history. They will make a bulletin board display of interesting facts about the state. They will also discuss the Pennsylvania Dutch and their contribution.

The Keystone will be better understood and recognized by the pupils of Mrs. Florence Anderson's second grade after they have made blue and gold Keystone badges. They will also draw pictures of the hemlock, laurel, and grouse. They will make an outline map of Pennsylvania on which they will locate North Warren, Warren, Conewango Creek, and the Allegheny River.

The third grade, taught by Mrs. Florence Conklin, will read stories about the early history of Pennsylvania. They, too, will make a map and locate the important places of the state.

Miss Teresa Fagley's fourth graders will be taught facts about the various products of the state, its industries and natural resources. They will learn the location of rivers, the capital, and Pennsylvania's boundaries. This knowledge will be used in making an outline map.

Fifth grade students, with their teacher, Mrs. Juanita Johnson, will take an imaginary tour of historical spots found in Pennsylvania. A large map will be made by the group to show their travels.

Mrs. Helen Morrow's sixth grade pupils will give oral reports on outstanding people of Pennsylvania. Their study of the industries and natural resources of the state will culminate in a trip to the Drake Well at Titusville and to the Tionesta Fish Hatchery.

All the classes will discuss the state flower, tree, and bird. A model of Independence Hall has been on display in the lower hall of the school and has been an incentive for discussion of the historical significance of this famous building.

## Talk of the Month Ticket Committee To Meet Tonight

The ticket committee of the Talk of the Month Club will meet tonight at the YWCA to report the progress of the ticket sales for this coming season.

The first presentation of the Club this year will be on November 18th at the Women's Club when Dana and Ginger Lamb will give a thrilling story in words and colored motion pictures of their finding the Lost City of the Mayas. This picture and exciting travel story will compare in interest and adventure with Lowell Thomas' picture given last year of the forbidden country of Tibet.

The three other lectures of the series are: Dr. Stefan Oskusky on January 30 lecturing on "The Destiny of Western Civilization."

Dr. Robert T. Oliver, on March 15th in a lecture entitled, "America's Back Door—Korea"; and on April 30 the Holbrooks will bring the series to a close with an evening of scenes from famous plays.

Tickets are available from any of the following ticket committees or from the YWCA, the YMCA or the Public Library: Evelyn Carlson, Elizabeth Brasington, Mrs. R. M. Rapp, Mrs. E. H. Lefford, Goldie Hill, Edna Glasser, May Belle Baird, Jean Lopez, Mrs. Robert Whitehill, Mrs. Paul Harrington, Andrew Bair or Dan Walton. ## Is Woman's Club Speaker

The Community Service Department of the Women's Club, holding its first fall meeting at the clubhouse next Monday afternoon, will present Julius King in an address on the subject, "It's Not All Black . . . A New Slant on the News". Mr. King, industrial public relations consultant and pioneer radio commentator, maintains that "lost in the welter of today's tragic daily happenings, and chronicles of catastrophe, are many encouraging hopeful and even cheering signs that deserve their place in the attention of people."

Mr. King was formerly public relations director of Chautauque Institution and, in that capacity, has spoken many times before service clubs and other groups in

Warren. He edited the Furniture Index in Jamestown for several years, was for three years promotion editor of the Jamestown Post, and has broadcast in New York, Brooklyn, Cleveland and Jamestown since 1927. In addition to all this, he has found time to publish 22 books.

Mrs. Robert Kopf will be hostess for the tea to follow the program.

## Do FALSE TEETH

Rock, Slide or Slip?

FASTTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, pasty taste or feeling. FASTTEETH is alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTTEETH at any drug store.

## Drake Descendant In Kansas City For Oil Progress Week

Mrs. Marie Drake Carver of Nashua, N. H., who was in Titusville on the occasion of the 90th anniversary of the drilling of the Drake Well—her grandfather was Col. E. L. Drake himself—is in Kansas City, Mo., this week, which is Oil Progress Week.

The Kansas City Star, the city's leading newspaper, carried the following interview with her on Friday, October 12:

Mrs. Marie Drake Carver, Nashua, N. H., granddaughter of the founder of the nation's oil industry, today began a Kansas City visit during which she will participate in the celebration of Oil Progress Week.

The observance by the Oil Men's club of Kansas City began officially today with the arrival of Mrs. Carver.

While in Kansas City, Mrs. Carver will attend the American Royal Live Stock and Horse show and on Sunday will present a \$250 prize to the winner in one of the horse show classes.

She will speak at a luncheon of

the Oil Men's club Monday at the Hotel President.

Mrs. Carver pointed out that her grandfather, Col. Edwin L. Drake, wasn't the actual discoverer of oil, but the first to drill a well expressly for that purpose and to find it by that method.

"My grandfather," Mrs. Carver explained, "was a railroad man who had retired when he was 38 years old because of ill health. He was living in New Haven, Conn., and there met a group of men who organized a company to drill for oil near Titusville, Pa. I suppose the fact he had the time and inclination plus a pass on the railroad—made him the logical choice actually to do the drilling."

When Colonel Drake—the military title being one bestowed on him by his oil colleagues to impress the citizens of Titusville—lived in the small Pennsylvania town, Mrs. Carver related he ran into difficulties.

"Everyone thought he was crazy," Mrs. Carver said, "for trying to drill for oil. Many times, the men he hired to work for him failed to show up, probably fearing people would call them crazy, too. Even the directors of his own company gave up hope and on the day my grandfather struck oil, he received a letter from the president of his company ordering him to quit and return to New Haven."

"My grandfather didn't believe in working on Sunday so his drill-er, who was known as 'Uncle Billy' Smith, shut down operations on Saturday night. The next day, Uncle Billy, who apparently had walked over to the well just for something to do, looked in and saw something dark floating on the surface of the water. He dipped it out and there was the oil."

The date of the discovery was August 28, 1859.

The spot of the discovery today is marked by a working replica of

Col. Drake's original derrick. There also is a Drake museum and library in Titusville which contains thousands of historical replicas and documents of the early days of the oil industry.

"But I suppose," Mrs. Carver said, "the most impressive memorials to my grandfather are the thousands of oil wells operating in this country today."

In ancient days hanging was a mark of indignity practiced on the corpses of criminals.

## Public Is Invited To Visit the State Hospital on Friday

The announcement made earlier in the week regarding the Open House program at the Warren State Hospital at North Warren, Friday, is repeated as a reminder for those who contemplate taking advantage of the opportunity to tour the institution.

Visitors will be accommodated from 1 to 4 p. m., during which time guided tours of the entire hospital will be conducted.

The number of visitors who have inspected the hospital during open house programs of the past two years now amounts to thousands of individuals.

Any Warren citizens who have not yet taken advantage of the opportunity for such a tour are urged to do so on Friday.

**LIKE BRIDE LEFT AT ALTAR**

House rejection of the proposed tax increase bill left the Bureau of Internal Revenue, which collects the taxes, feeling a little like a bride left alone at the altar.

An Associated Press dispatch from Washington says Bureau officials already were operating in high gear on the assumption the bill would be passed and signed this week. They were ready to put new income and excise (sales) taxes into effect November first.

Now no one is sure when new taxes will become effective.

We are told the Bureau had to go into reverse in a number of fields. It had ordered 6,000,000 copies of tables showing how much more the new income tax would bite into paychecks under the withholding plan.

Almost 4,000,000 copies had been printed and hundreds of thousands mailed out to Bureau offices across the country. These printed copies now are being stored for possible use later. Further printing has been halted.

Also, the Bureau has had set in type the forms for income and excise tax returns. Now it has ordered a delay in printing until it sees what congress may eventually do.

Unless there are substantial changes in the personal income tax boost in the bill, the withholding tax tables still may be used. But that remains a matter of conjecture.

Business-Industry-Education day will go down in the records of Pennsylvania Week in Warren as one of the outstanding projects sponsored in connection with the local observance. Congratulations to everyone.

**Here And There**

Columbus Day, 59 years ago, was celebrated in a big way in Warren, but it was not until the following week that The Ledger printed a full-fledged account of the program in a two-column article which told about a parade a mile and a half long in which 1,500 persons participated, and which was witnessed by a crowd of 3,000 or 4,000 persons. One of the main events of the day was a handicap bicycle race, starting from the point at the Warren Savings Bank Building, going to the Irvineton bridge, "making the turn and cross the line at home." The list of contestants reads like a roll call of the Warren of the trolley car days. Regarding the race and a "bicycle lantern parade" held in the evening, The Ledger article says:

At 11 o'clock, Water street was packed to the middle of the road

its entire length, when A. C. Joy with 18 minutes handicap, made the first start. There were 25 starters in the race, George Muir and Glenn Lott being the last ones to leave the line at the Warren Savings Bank, at 11:18. Henry Barnhart, who started at 11:04 was the first to go to the Irvineton bridge, make the turn and cross the line at home, and was closely followed by E. H. Lampe and Robert Hall, who crossed the line with Lampe not more than three or four feet ahead, as George Muir and Glenn Lott, the two scratch starters came up Water street side by side riding at the highest speed. Vern Randall stepped forward from the crowd in front of Wyman and Davis' jewelry store to look down toward the finish line, as he did so the handlebar of Lott's bicycle struck him and Lott was hurled forward,

striking in his head and shoulders with terrible force. He was taken into the Carver House and later moved to his home. His head, shoulders and back were badly cut, and during the afternoon suffered from internal hemorrhages. It was feared until this morning that the accident might prove fatal, but at this time he is reported as having rested easy during the night and feeling quite bright and cheerful. It was a most fortunate accident, and cast a gloom over the following events of the day.

Following is a list of the racers: H. Barnhart, E. H. Lampe, R. S. Hall, Henry Hall, Charles Reed, A. Schellhammer, John Binder, C. T. Conarro, George Muir, Gurn Lott, D. Lewis, Paul Horton, John Hegerty, W. F. Messner, S. J. Franklin, Samuel Messner, A. C. Joy, Oscar Lund, C. J. Reese, Charles Delich, W. W. Reynolds, A. C. Jones. Those awarded time prizes were George Muir, R. S. Hall, Guern Lott and E. H. Lampe.

Shortly after eight o'clock the

bicycle lantern parade started from the Revere House up Water street headed by the Warren band in a wagon. One hundred and ten bicycles were in line, all handsomely decorated and illuminated with Chinese lanterns, and many of them of novel design, presented a spectacle not soon to be forgotten. It was a brilliant ending to a glorious day. The first prize for the best decorated wheel was given to Miss Carrie Pickett, the second to Mrs. W. J. Richards, the third to Bryant Blood and special mention awarded to George Herriek. It was almost an impossibility to give due justice, inasmuch as there were so many very elaborate appropriate designs, and no two men can be found who could actually agree. The trouble is that there were not enough prizes.

This 'n That: Joe Grotzinger, former restaurant owner and veteran member of the Warren Council Knights of Columbus, has returned from a visit with relatives over around St. Marys. . . . Unless rain falls before this appears in

print a serious situation still exists in forests of the area, and it behooves everyone entering the woods to use utmost caution to keep from starting dangerous and costly fires. . . . His many Warren acquaintances will be interested to learn that the condition of Claude E. Shattuck, McKean county district attorney and ardent sportsman and fisherman, who has been confined to his home as the result of a heart attack suffered while fishing in Lake Chautauque about ten days ago, is described as much improved. . . . Lots of bargain seekers on hand this morning when the Printz Co. store opened its nine-day 65th anniversary sales event, and according to all reports those who took advantage of the opportunity to save money on much-needed items found themselves well rewarded. . . . The Bell Telephone Company not only is displaying a Pennsylvania Week flag on its building at the corner of East street and Pennsylvania avenue west, but also exhibits a large sign reading "Keep a Great State Growing . . . Pennsylvania

Week". . . . The Chuck Tranters made a big hit with their magic act on a program in Brookville Wednesday evening. . . . It's a long time since the river stage was lower than it is at present. . . . You can participate in the local Pennsylvania Week observance by attending the public meeting at the courthouse this evening and listening to an interesting program including a fascinating address by a man who is an outstanding foe of Communism.

## YEARS AGO

Interesting Items Taken From  
The Warren Evening Times

1931  
It was reported today that rapid progress is being made on the new McClintock school, and according to Superintendent F. W. M. Pressel, it is expected that the building will be ready for occupancy about Thanksgiving Day or the first of December.

Warren was honored by a visit from Sgt. Alvin G. York, outstanding hero of the World War, who delivered a lecture before a large and enthusiastic audience at the First Presbyterian church last evening.

The visit over Warren yesterday of the Enna Jettick Shoe Company blimp was part of an extensive good will tour being made by the crew on the ship.

Rain which developed into a veritable deluge did not deter the young folk interested in the Warren High school Dragon Band from standing out in the rain and selling tags for the benefit of the uniform and equipment fund of the Dragon Band.

1941  
War Bulletin: Navy lists 11 missing in U-boat attack on Kearny... Hull characterized the incident as typical Nazi intimidation... German army together with Italian, Hungarian and Slovak allies, reported near gateway of Caucasus.

Storming back in the fourth quarter like little hurricanes, Warren High school's freshmen grid-ers piled up thirteen points to come from behind and tie Bradford High's reputable yearlings yesterday afternoon at Russell Field.

It was learned late this afternoon that two tons of squash picked for sale at Carlson's vegetable market at Hemlock had been stolen.

Members of the Zonta Club met at the home of Mrs. Harold Ross, Hazel street, for a farewell luncheon for Mrs. Elizabeth Taylor, who is leaving Warren and will make her home in Baltimore, Md.

## Apple Pan Dowdy Contest Winner

Regional Winner Ann Younnie (left) of Sugar Grove and her home economics instructor, Mrs. Helen Frank.

A Sugar Grove-Farmington high school senior has reached the state finals in an apple pan dowdy contest being held to pick a Pennsylvania Apple Queen.

She is Miss Ann Younnie, historian of the Sugar Grove-Farmington Future Homemakers of America chapter. She won the Region 8 contest, held yesterday afternoon at Sheffield high school.

Previously, she had won the local baking contest held in Sugar Grove high school, and then finished first in the Warren county contest.

Miss Younnie and the winners from seven other regions in Pennsylvania will now compete in a state contest, to be held Saturday in DuBois.

There were three other contest-

## Jamestown Pastor Is Speaker Before Presbyterian Men

Eighty members of the Presbyterian Men met for dinner last night at the local church and were treated to an excellent talk by Rev. Gilbert VanBever, pastor of the First Presbyterian Church of Jamestown, N. Y.

Titling his talk, "Men of Distinction" the speaker said that his "Men of Distinction" were men who really did things for their church when there was work to be done.

Continuing, he said, "he liked Christianity because it was so amateur in its standing and was essentially a layman's religion and allowed co-religionists to get together and tell one another what it means to them."

In closing, the speaker urged the local group of Presbyterian Men to get behind the little things

ants in the regional contest at Sheffield. They were Ash Mae Sidor, DuBois, Clearfield county winner, who placed second; Grace Emick, of Endeavor, Forest county champion; and Fay Heaton, of Hubersburg, Centre county winner.

The contest was under supervision of Elverda M. Fagley, home-making education adviser for Warren, Forest, McKean and Elk counties, and serving as judges were Miss Marjorie Geer, home economics representative for the Pennsylvania Electric Co.; T. R. Sponsler, of Warren, county vocational adviser; and Mrs. Elwood Way, of Port Matilda, representing the State Horticultural Association, one of the sponsors of the contest.

and not try and exert first class effort on fourth, fifth or sixth rate causes. "Don't try to change the world," he said; "but take on a single project and repair that part of the wall in your own back yard".

Nat Drake, vice president of the local group of Presbyterian Men, presided in the absence of President Fred Plummer. Mr. Drake, after greeting the group and expressing his pleasure with the attendance, called upon Donald E. Mowell, program chairman, to introduce the guests and speaker.

Ross Beatty, head of the Jamestown group, which is named "The Friars", spoke briefly of the organizational set-up employed in Jamestown and outlined some of the helpful and concrete things the men in Jamestown had done to make their church a better place to worship and a place of worship that will attract more people.

Mr. Mowell also called on Donald McComas to explain how the local group would be called upon, sometime in November, to assist with the Every Member Canvass. This canvass will be made in conjunction with the raising of the annual budget of the church; the budget having been officially adopted by the Session and trustees at a meeting held just prior to last night's dinner. Two-man teams will make personal calls, where necessary, on members of the church in the period to be set aside for the completion of the budget project.

Rev. Robert Steen, pastor of the local church, paid a deserved tribute to Rev. VanBever and thanked him for his helpful talk and then closed the meeting with prayer and the benediction.

The first U. S. electric train was built by Prof. Charles Grafton Page.

AT THE COLUMBIA THEATRE!—With the Allies closing in on the depleted Afrika Korps, Field Marshal Rommel (James Mason, center) bids farewell to his chief-of-staff General Bayerlein (George Macready, left) as he prepares to fly to Germany. The scene is from Twentieth Century-Fox's dramatic story of Rommel "The Desert Fox," Friday through Monday at the Columbia Theatre.

### MOTORCYCLIST KILLED

A Rimersburg motorcyclist died Monday in the Butler Memorial Hospital of an injury sustained in an accident on Route 68 in the south portion of Rimersburg, according to State Police. Loren R. Traister, 39, of Rimersburg, died nearly eight hours after the accident. Police said Traister was operating his motorcycle over a ridge on Route 68 when he crashed into

the rear of an automobile operated by S. R. Shearer of Sligo, R. D. 1. The impact threw the cyclist onto the highway causing the fatal injury.

The hand tree, a native of Mexico, takes its name from the form of its flowers which somewhat resemble the fingers of the human hand.

## Long-Awaited Report From Special Fact-Finding Committee Is Anticipated Soon

Warren borough council may soon get a long-awaited report from a special fact-finding committee set up early this year to study what can be done about alleviating the periodic floods in the community.

Councilman Paul Yagge, chairman of the committee which includes other council men, representatives of business, industry, labor and the press, said he plans to call a meeting of the group to draft a detailed report and the committee's recommendations. He said he hoped to have the report ready for either the November or December meeting of council.

Whether or not the committee can agree on a recommendation, however, is another matter. Part of the group is known to favor construction of the proposed Allegheny Flood Control Reservoir at Kinzua, which U. S. Army Engineers repeatedly have claimed will forever solve Warren's puzzling flood problem. Others on the committee, however, are expected to go along with the long-time opposition to the dam voiced by the Upper Allegheny River Improvement Association. That organization is thumping the drums for canalization of the entire Allegheny river between Pittsburgh and Olean as a link in an inland water

transportation system extending from New York City to New Orleans.

Members of the flood fact-finding committee, at their first meeting, studied available material on hand concerning dikes, flood walls, channel deepening and other means that have been suggested to help alleviate flood conditions. Then at their second meeting, the group bombarded the U. S. Engineer from the Pittsburgh office with many, many questions concerning the cost of flood protection on a local scale and the proposed Kinzua dam. Individual members of the committee also were given an opportunity to make a detailed study of an official U. S. Engineer's report containing the results of a flood control survey in this area.

Warren borough is now officially on record opposing construction of the Kinzua dam, have adopted a resolution to that effect several years ago.

Busy Schedule Is Getting Started At Lacy Building

Several announcements concerning coming events were made at a well-attended meeting held Tuesday evening by members of Lacy PTA. Tickets were placed on sale Wednesday for the ice cream social to be held at the school next Thursday, October 25, from 5:30 to 8:30 p. m., and all members and friends were urged to support the project.

Mrs. Harold Richael made announcement of the first Study Club session slated for Monday, November 5, at the home of Mrs. William Brooks, 13 Maple street, when Mrs. George Nelson will be the speaker.

Myron Jewell reported the Cub Scouts have started their fall activities and Richard Hedman, reporting on Boy Scout activities for the past summer, asked for recruits in this organization. Mrs. John Steinkamp presented the Girl Scout report.

Miss Alice Anderson, principal of the building, announced that, starting next month, teachers will

Society

be in their rooms each PTA night from 7:00 until 7:30 so that parents may meet their child's teacher and become better acquainted.

An encouraging report by Mrs. John Andrews showed the membership total has passed the 100 mark.

The room awards went to Miss Phyllis Stewart's room for the best attendance of parents and to Miss Anderson's room for having the most fathers present.

For the program, Miss Jean Spencer, of the high school faculty, showed slides taken in her travels abroad this summer, the pictures showing delightful spots in Italy, France, Holland and Switzerland.

Concluding the evening, refreshments were served by kindergarten mothers under the chairmanship of Mrs. John Blyth.

Nearly 1,000 fires occur in homes daily, with an average loss of \$500.

Burnett Family's Doings Is Theme of Players' Offering

When members and friends gather in the Woman's Club auditorium this evening and tomorrow night to see the Warren Players present "Good Housekeeping," they will be taken right into the lovely living room of the Burnett home "somewhere west of the Missouri river."

The audiences will come to know Marian and Charles and their daughters, Katy and Christine; Nat and Eddie, the girls' admirers; Jim O'Neil, the villain of the piece; and Mrs. Benson, the housekeeper, all of whom will become real people.

In the cast will be faces both old and new to Players' audiences: Joan Mellen, Jack MacDonald, Marcia Johnson, Sally Smith, Francis Johnson, Kenny Williams, Bob Dietrich and Helen Morrow.

The personnel represents a group of many types of people with one common interest, who have worked for many weeks under the direction of Bea Trax to put on this play for the enjoyment of the public and their own satisfaction.

There are still good seats to be had for either performance, the box office reports, and a word to the wise is always sufficient when it comes to Players' Club shows. Curtain time will be 8:30 p. m., as usual.

Helen Jepson Honored by EPW

Several members of the Youngsville Business and Professional Women's Club were in Titusville to attend the dinner given to honor Helen Jepson, renowned singer and one of the personages chosen as Pennsylvania Week Ambassadors. Comprising the Youngsville group were Millie Harner, president; Helen Unterreiner, Rose Hubbard and Harriett Aiello.

The affair was given at the Titusville Country Club, with the Hon. R. B. Mahany, state senator; C. C. Hampton, mayor of the city; and Congressman Carroll Kearns as special guests. Miss Jepson was presented with a life membership in EPW, also with a citation and plaque from the city of Titusville.

Falconer Wedding Of Interest Here

Mr. and Mrs. Glenn S. Hotelling, 213 Clyde avenue, Falconer, N. Y., have announced the marriage of their daughter, Jean Ella, to Donald Joseph Randinelli, son of Mr. and Mrs. Dominic Randinelli, 131 East James street, Falconer.

The ceremony took place at 10:00 a. m. Saturday, October 6, in Our Lady of Loretto church in Falconer, the Rev. Robert S. Taulman officiating and wedding music by Dolores Verquer, organist.

Gowned in a princess model of white slipper satin with cathedral train, the bride carried a colonial style bouquet of white rosebuds centered with a white orchid. A satin cloche with seed pearl trim held her fingertip veil and her silver cross was the bridegroom's gift.

Attending her as matron of honor, Mrs. Patrick Lewis wore rose satin, a coronet of pink and bronze mums, and carried a colonial bouquet of the same flowers with yellow satin streamers.

Mr. Lewis was best man and ushers were the bride's brother, Ray Hotelling, and the bridegroom's uncle, Dominic Campisano. Mr. Hotelling gave his daughter in marriage.

A reception for 100 guests followed at the Hotelling home, where Betty Frank was in charge of the guest book; Mrs. Richard Nelson poured; and sides were Mrs. Mary Bratt, Mrs. Raymond Frank, Mrs. Ray Hotelling, Nancy Zock, Mrs. Lauros Briggs.

Following a wedding trip to Washington, D. C., the couple will reside at 224 Lister avenue, Falconer. Both young people are employed by Martin-Rockwell. The bride was graduated from Southwestern High School in 1951; the bridegroom, alumnus of Falconer High in '49, served in World War II as a member of the Heavy Mortar Division, 174th Infantry Regiment.

OPEN HOUSE FOR SILVER WEDDING DAY

Mr. and Mrs. Cecil V. Courtney will be observing their 25th wedding anniversary Saturday, October 20, with open house at their home, 106 Prospect street. Relatives and friends are invited to call between the hours of two and five o'clock in the afternoon and from seven until nine in the evening.

## Presbyterian Church Groups Making Plans

Sugar Grove, Oct. 18—Mr. and Mrs. Allen Frank will entertain trustees and elders of the Presbyterian church, with their wives, at the Frank home next Monday evening, with the Rev. J. David Klingworth, Presbyterian executive from Titusville, moderating the business session.

It is also announced the Women's Missionary Society will meet at the home of Mrs. Elmer Somis, with Pearl Thomas as the program leader.

Rev. Edgard Johnson will teach the new class for married couples and others, which will be started next Sunday.

Promotion and Rally Day were observed in the church last Sunday, with a combined church school and worship service. The following program numbers were enjoyed:

Processional, with Martha Grant as pianist; scripture, Superintendent Paul Carlberg; prayer, Melvin Rein, the pastor; cradle roll report, Mrs. Ray Gruber; Welcome and Bible verses, the kindergarten classes directed by Mrs. Lloyd Williams and Mrs. Everett Bowers, with Nancy Bowers as pianist; Bible verses by beginners and primary classes of Mrs. Earl Capron, Mrs. Norman Abbott and Mrs. John Stuart; songs by these groups; presentation of certificates by the teachers; object lesson talk by Mr. Rein; congregational singing accompanied at the piano by Mrs. Kenneth Frank.

## Westminster Fellowship Will Go to Cornplanter

Taking advantage of the nice fall weather, the Junior High Westminster Fellowship of First Presbyterian church has planned another outing for next Sunday, all to meet at the church at 1:30 p. m. for transportation to the Cornplanter Indian grant.

Last Sunday's trip took the group to Rocky Grove for a fellowship period and pleasing program. The moderator of the host group, Allen Wetjan, welcomed the visitors and a warm-up song period was enjoyed. A short business session was followed by an entertaining program which included a slide film, "Fishers of Men"; a reading by Deanne Ritchey; and a beautiful color film, "The Creation", shown by William Rosenberger.

The group was then invited to luncheon at a table attractively decorated in a fall theme. This was followed by a period of fellowship songs and choruses. Mary Miller, moderator of the local group, thanked the Rocky Grove members and invited them to come to Warren.

Driving cars for the trip were Leon Rapp, Mr. and Mrs. Ralph Sires, James Miller, Mr. and Mrs. James Hays, with Mrs. Bearfield, assistant, accompanying the group.

## Herbert Lundmarks Given Silver Wedding Parties

Akeley, Oct. 18—Fifty relatives and friends gathered in the home of Mr. and Mrs. Herbert Lundmark Sunday to help them celebrate their 25th wedding anniversary.

A fine dinner was served at 1:30 o'clock from a table beautifully set with a linen cloth sent them by their son, Chester, who is with the armed services in Germany.

A large three-tiered anniversary cake, silver candles and napkins completed table appointments and garden flowers were used in decoration throughout the home.

Mrs. Lundmark received her guests in a lovely frock of plum colored crepe, with which she wore a corsage of yellow and white chrysanthemums.

Relatives and friends were present from Philadelphia, Irvine, Jamestown, Ellery Center, Frewsburg, Lakewood and Akeley.

The honored ones were remembered with gifts of silver and a purse of money, with many lovely greeting cards. Several pictures were taken during the day to serve as mementos of the happy occasion.

The Lundmarks were also given a party by the White Sunday school for their anniversary. They were presented with a purse of money and the hostesses served refreshments.

## ENTERTAINS FOR REBEKAH OFFICERS

Hazel Witz, who is district deputy president of Rebekah Lodge, was hostess Monday evening for a party which included officers of the Lady Pine Grove Lodge at Russell, Lady Harriet Lodge at Sheffield, and Lady Warren Lodge of Warren.

Attention is called, also, to two errors which appeared in a previous report of Lady Warren Lodge's installation ceremonies. Edna Simpson is the new left support to the noble grand instead of Edna Springer, as printed. In addition, officers pictured in conjunction with the installation were Billie McDannel's retiring slate instead of Evelyn Pittman's new staff.

## IS SHOWER GUEST

Corydon, Oct. 18—Mrs. Gladys Whyte was hostess for a very pleasant shower party honoring Mrs. Richard Frame, given at the latter's home and attended by about 35 persons. A social evening featured games, the honored one was remembered with many attractive gifts, and refreshments concluded the affair. Mr. and Mrs. David Whyte and family, Mr. and Mrs. James Covert, Bradford, were out of town guests.

## STILSON HILL AID

Sugar Grove, Oct. 18—Six members and four guests were present for the regular meeting of the Stilson Hill Ladies' Aid, held at the home of Mrs. Faye Brown at Frewsburg. Elected to serve as new officers of the group were the following: President, Mrs. John Firth; vice president, Mrs. A. J. Phillips; secretary, Mrs. Don Nuttall; treasurer, Mrs. Allen Seamen. The next meeting is scheduled for October 24 at the home of Mrs. Nuttall.

## SALEM WWSW MEETING

All members and friends are invited to attend the meeting of WWSW members of Salem EUB church, to be held in the social room of the church at 7:45 this evening. Hostesses will be Mrs. Paul Schwab and Mrs. Leo Schuler.

## HOSPITAL AUXILIARY

All members and friends of the Warren General Hospital Auxiliary are reminded the regular business and sewing meeting will be held at the nurses' home at 1:30 p. m. Friday.

### Be Yourself and Don't Worry Whether Everybody Likes It

"How can you make everybody like you?" a fifteen-year-old wants to know.

The answer, of course, is "You can't."

Nor should you even strive to, for it is an impossible and shallow goal.

You can't be yourself and expect everyone to like you. You can't stand up for your own ideas and principles and expect everybody to like you. You can't be honest and expect everybody to like you. For after all, you certainly don't like everybody you know.

So forget about making everybody like you. Instead start thinking about what you want to make of yourself, what you want to be and what you want to stand for.

Develop your own talents and abilities. Don't be afraid to be yourself or to express your own opinions. Quit trying to please everybody and concentrate on being the kind of person you, yourself, can approve of.

**FRIENDLINESS BEGETS FRIENDS**

If you'll do that and treat others with genuine friendliness, you'll have plenty of friends. Not everyone will like you. But that shouldn't matter if you have the liking and respect of the people that you genuinely like and respect.

The young person whose main goal in life is popularity will never amount to very much. For instead of nourishing and developing his own individuality he will tend more and more to cater to other people. He will "yes" their opinions and values, instead of living by his own, and end up with a weak imitation of a couple of guys named Joe.

So start worrying less about what others think of you and more about what you are and what you want to become.

Being liked by others isn't nearly as important as being able to like yourself.

## "Chocolate for Christmas"

Next Monday evening, October 22, is the date set for the "Chocolate for Christmas" dance at the YWCA activities building, sponsored by the High School Girls Club and with a five-cent candy bar as the only admission charge.

Dancing will begin at 7:45 and continue until 10:00 and all young people in the community are urged to attend. All candy bars collected are to be sent to the YWCA in the Philippines for distribution to boys and girls of that country at Christmastime.

This is the third successive Christmas the youngest membership group of the YW has chosen to remember Y-Teens across the seas and their friends with a gift of sweets from America.

In response to the six tons of chocolate sent to 15 different countries last year, Y-Teens receiving them have sent all sorts of messages. Girls in Tayk told of breaking the bars into small pieces, since there were not enough for each girl to have a whole candy bar. Some were sent to boys and girls in Korea, where many are still existing on a handful of rice or thin barley soup. Aside from the need for sweets in these countries, the happy children had the thrill of receiving something from America and the joy of knowing that teen-agers elsewhere had thought of them.

Last year, 287 candy bars were sent from the Warren YWCA and the girls hope to send a larger amount this year.

## Pine Grove PTA Hears Report on Its Donation Day

Russell, Oct. 18—A well attended meeting of Pine Grove PTA was held at the local school building Tuesday evening, with President Axel Carlstrom conducting business session.

Mrs. Howard McJunkin, cafeteria chairman, expressed thanks for the produce received on Donation Day; also appreciation to those who had helped in the canning of 530 quarts of fruits and vegetables. She reported 1,144

## meals had been served in the 14 days last month, starting it is now necessary to serve in three lunch periods. The group voted to apply for social security for the cafeteria cooks.

Announcement was made the Girl Scouts will serve a pancake supper at the Akeley Grange Hall October 24.

For the program Mrs. Jerold Angove served as moderator for a panel discussion. The school board was represented by Mr. Angove and Benton Bairdow; parents, by Mrs. Harold Hale and Mrs. David Smith; teachers by Mr. Blair. The first question pertained to report cards, grading and children injured at school. It was brought out the children are covered by insurance while on school property and while on the school bus. In answer to the query how meetings might be made more interesting, some suggested more music, more time to talk with the teachers, and more discussion groups. An affirmative answer was given the third question, is anyone allowed to attend school board meetings?

The fourth grade taught by Rachel Springer won the attendance award for the evening. After announcement the next meeting will be held November 15, with Dr. J. F. Crane speaking on his trip abroad, the committee served lunch.

### Eight and Forty to Be Assigned a New "Adopted" Child

The first meeting of Warren County Salon, 405, Eight and Forty, to be conducted by the new officers, took place last evening in the American Legion Home, with 26 women from Warren, Sheffield and Youngsville in attendance.

Mrs. C. D. Cannon, new chapeau, presided over the business session, at which time announcement was made that dues for membership are payable.

Word has been received by the unit that its child adopted at the Rush Branch of the Malvern Hospital, Philadelphia, has been discharged from the hospital and a new child will be assigned to the unit.

Mrs. Florence Mower, Youngsville, historian, was appointed to keep a scrapbook of the unit's activities during the year, to be displayed during the department convention next August. Miss Eva Brown, Sheffield, has been named department sub-chairman of scrapbooks.

Mrs. Merle Graham, Warren, past chapeau, presented "Wings" to Miss Eva Brown, the returning chapeau, in an inspiring little ceremony.

Refreshments were served by the following Warren members: Mrs. Thomas Poy, chairman; Mrs. R. F. Hildum, Mrs. Larry Krespan, Mrs. N. K. Andersen, Mrs. Effie Speidel, Mrs. Ralph A. Harrah, Mrs. Marvin Wilkins, Mrs. Howard Norris, Mrs. C. B. McMillen, Mrs. C. D. Cannon.

The next meeting will be November 21 in Sheffield, with the place to be announced later.

#### YOUTH FOR CHRIST

The Warren County Youth for Christ meeting Saturday evening will be held in Youngsville EUB church, with Evangelist Jimmy Davis as guest speaker and singer, and Donald Hagberg presiding. All young people interested are cordially invited.

### SENECA PTA MEETING

President S. M. McClure conducted the October meeting of Seneca PTA, held Wednesday evening at the school, when the Freedom Scroll was signed by all the members.

Routine business and reports were given and a profit of \$16 was shown from the recent paper drive.

It was announced the Brownies are sponsoring a bake sale, the date to be announced later, and it was voted the unit should support the Civil Defense Council in its plans. The attendance award for the evening went to Mrs. Paul Gary's room.

The guest speaker for the evening was Dr. J. F. Crane, who delighted his audience with his illustrated talk on his recent travels in Europe. At the close of the evening, refreshments were served by Mrs. Evelyn Pittman, chairman; Mrs. Alice Palmquist, Mrs. Lucile Cadin, Mrs. Dora Nasarian, Mrs. Ruth Gerbe, Mrs. Betty Musante, Richard Arnold and Howard Ladner.

### Scandia Grangers Install New Slate

At the regular meeting of Scandia Grange Tuesday evening, the following officers were installed:

Master, Albert Johnson; overseer, Arvid Gustafson; lecturer, Elsie Ristau; steward, Ray Wall; assistant steward, Robert Anderson, treasurer, Charles Spetz; chaplain, Helen Lauffenberger; secretary, Hugh Sechrist; gatekeeper, Paul Lauffenberger; Ceres, Eleanor McGuire; Pomona, Virginia Gardner; Flora, Tullie Lane; lady assistant steward, Frances Anderson; executive committee member, Laverne Jones.

Announcement was made of a ham dinner to be served to the public at the Grange hall from 5:00 to 8:00 p. m. on Saturday, October 27; also for a Halloween party to be held at the hall on Saturday, November 3, with round and square dancing.

### YW Hobby Show To Feature Flag Of Commonwealth

Through the courtesy of the Pennsylvania Week Committee, a Pennsylvania Flag will be on display Friday and Saturday for the YWCA Hobby Show, which is designed to call attention to the many talents and interests of local residents.

Craftsmanship will be shown in displays of woodworking, leathercraft, knitting, crocheting, weaving, ceramics, hooked and braided rugs and quilts.

Art exhibits will include oil painting, china painting, textile painting, originally designed jewelry, and pictures made from cancelled stamps.

Outstanding among the collections to be shown is C. O. Gay's train exhibit. Antiques of all types, choice pieces from foreign countries, unusual items such as knife rests and salt dips, dolls, shells, earrings, miniature animals, postmarks, buttons, etc., will fill the gymnasium of the YWCA for the public to enjoy.

Tea and cookies will be served by members of the Y clubs to give exhibitors and visitors a social atmosphere in which to discuss their favorite hobbies. The public is invited to visit the show anytime between 2 and 10 Friday and from 1 to 5 Saturday afternoon.

#### YOUNGVILLE PTA

Youngville PTA members held their regular meeting in the school auditorium Tuesday evening, with President Dorothy McAllister presiding and all joining in reciting the P.T.A. Prayer. Group singing was accompanied by Mrs. Annabelle Pierce.

Mrs. Orrie Maasz introduced the speaker, Kenneth McCurdy, driver-training teacher in the high school. A good crowd turned out to hear him speak on "Safety and Good Sportsmanship in Driving." In conclusion, Mr. McCurdy and Mr. Borton showed a movie, "Last Date."

Mrs. Smith's room and the 11th grade won the attendance prizes. Mrs. Helen Samuelson and Mrs. Katherine Anderson were co-chairmen of the refreshments committee.

CLASSIFIED ADS accepted until 11 a. m. on day of publication.

#### IRVINE PTA MEETING

Mrs. Fay Nicklas presided at the regular meeting of Irvine PTA, held Tuesday evening at the school, with group singing led by Miss Driscoll. Two numbers were presented by pupils from Mrs. Wheeler's room in observance of Pennsylvania Week. The first was J. W. Yoder's "Pennsylvania"; the second, an arrangement of "The Pennsylvania Polka" with a bag-zooka band.

Questionnaires, "How is Living in Your Home?" were distributed to the audience and were later scored and discussed. In addition, movies were enjoyed by the group and refreshments were served for the social hour. Mrs. Wheeler's room won the attendance award.

#### BIRTHDAY PARTY

Relatives and friends of Mr. and Mrs. Charles Dietsch gathered in their home, 103 Mohawk avenue, last evening, to help the former celebrate his 80th birthday anniversary.

Decorations were done in the Halloween manner and refreshments included a large birthday cake. Mr. Dietsch was remembered with many useful gifts to mark the birthday occasion.

#### HOUSEWARMING PARTY

Mr. and Mrs. Ralph Whitehill were given a surprise housewarming at their new home, 9 Lansing street, North Warren, last Saturday. There were 28 guests present for the party arranged by their children, Mr. and Mrs. Robert Whitehill, North Warren, Mr. and Mrs. Melvin Smith, Edinboro.

#### PRE-SCHOOL PARTY

### 'RIDIN' HIGH' DRAWS APPRECIATIVE CROWDS

Another appreciative audience saw "Ridin' High" at the Warren High school auditorium, last evening, for the second presentation of the home talent show put on by the Warren Optimist club to raise funds for the Warren Boy Choir and for the club's activities in boys' work.

Although the hall was not filled to capacity for either presentation, the crowds were sufficiently large to provide a good return for the club's endeavors. Richard Seward, director of the show, was complimented for his work in getting together such a large cast in less than two weeks. The numbers by the Warren Boy Choir were of the usual high calibre.

Optimist club members were enthusiastic today in their praise of and thanks to all local folk who assisted in making the presentations successful.

### Increase Shown in County Motor Club

Fourteen members were in attendance at the October meeting of the board of governors of the Warren County Motor Club held last evening with dinner at the Blue & White private dining room. A. A. Albaugh, president, was in charge, and Miss Mary Corah, executive secretary, was also present.

Among reports submitted it was revealed that the membership of the club, as of October first, was 1,842. In this connection a letter was read from Andrew J. Sordani, president of the Pennsylvania Motor Federation, congratulating the local club on its increase in recent months. Mr. Sordani praised the club officials for its remarkable growth and for the work it is accomplishing for the benefit of motorists generally.

It was reported that the improvement of the road between Sheffield and Roystone has been completed, and the work of grading and widening Route 69, from North Warren to Dunham's Corners is well under way, and the club officials were reminded that traffic is being maintained.

Members were present from Warren, North Warren, Sheffield, Kinzua, Youngsville, Russell, Sugar Grove and Tidoute.

ple who have helped to make the Pennsylvania Week observance such a success. He then introduced members of his committee who were present, and urged everyone to attend the public meeting at the Court House this evening at 7:30 o'clock. Committee members presented by Mrs. Sires were: Guy R. Ball, Youngsville, representative of the Department of Labor and Industry; Dr. Whipple and Mr. Rice, B-I-E chairman; Harry F. Schmidt, president of the Jaycees; Harry A. Spidel, who has been talking to high school assemblies; and Mrs. Virginia Templeton, historian and secretary.

Mr. Rice, in a thought-inspiring speech, complimented Mr. Sires on his grand work as chairman of the Pennsylvania Week committee and thanked the industries for their generous and helpful support, naming the participants as follows: United Refinery, Hammond Iron Works, Warren Clearing House Association, The Warren Times-Mirror, The New Process Company, Walker Creamery Products Co., Sylvania Electric, Struthers-Wells Co., Warren County officials and the Warren borough officials.

Mr. Rice spoke of the tremendous responsibilities of the teachers, in helping to mold lives of our children. "You are teaching in difficult times when moral standards are being lowered and governments are sometimes corrupt," he said. "It is the task of our teachers to show the children of today a better way of life," he concluded, saying he was firm in his belief that our children's education is in the hands of a very competent group of men and women.

The brief program, which was broadcast over Station WNAE, followed the serving of a delicious dinner consisting of pork chops, mashed potatoes, string beans, gravy, rolls, head lettuce with French dressing, brown bread, pickles, celery, olives, jam, pumpkin pie with whipped cream and coffee.

Friends will be sorry to learn that Fire Chief Pat Ferris of Russell is a patient in the new Veterans' hospital in Erie, having undergone surgery there on Wednesday.

#### 134 PINTS AT CORE

The Red Cross bloodmobile collected 134 pints of blood during its visit in Cory Tuesday, the most successful since the blood program was started there a year ago. It brought to a total of 46 pints donated by Cory residents.

#### SENATOR ON TRIP

State Senator and Mrs. L. E. Chapman are spending the week in Philadelphia and Atlantic City where the senator has been in attendance at a number of conferences in connection with his senatorial duties.

#### TEACHERS' DINNER

Warren Borough Teachers' Association members have planned a dinner-meeting at Warren High School next Tuesday evening at six o'clock for a discussion of plans for the American Education Week program in Warren.

#### OUTSTANDING YOUNG MAN

Col. Francis S. Gabreski of Oil City, who distinguished himself as a World War II ace pilot and also in the present Korean conflict, has been nominated by the Oil City Chamber of Commerce as one of the nation's 10 outstanding young men of the year.

#### GIBSON AT CONVENTION

Representative Allen M. Gibson of Sheffield, is in Harrisburg to attend the convention of the Pennsylvania Forestry Association, held Wednesday and today. Mr. Gibson is vice president of the Association.

#### TRAFFIC CHECK

Taking advantage of the beautiful October weather provided by the Weather Man for today, students of the driver-training class of Warren High School were out at the main intersections of town, making one of their periodic traffic checks.

#### V.F.W. MEETING

The regular meeting of Dunmoor-Schwing Post No. 681, Veterans of Foreign Wars, will be held at eight o'clock. Important business is to be considered and the attendance of all members is urged. A luncheon and social time will follow.

#### RELATIVE KILLED

Mr. and Mrs. Myron W. Nicholson and daughter, Frances Kayfas, of Akley, have returned from St. Louis, Mo., where they were called by the death of Mrs. Nicholson's sister, Mrs. Nellie Tobey. Mrs. Tobey was instantly killed in an automobile crash about 10 miles west of her home in St. Louis on October 9. The Akley folks were also entertained at the home of the Rev. and Mrs. Edward Ewanick, the latter a niece of Mrs. Nicholson.

#### ATTENDING MEETING

Accompanied by their advisor, Miss Jean Spencer, three representatives of the Warren High School Student Council, left early this afternoon for Kittanning, where they will attend the Pennsylvania State Association of Student Councils meeting. The local delegates include Joyce Allen, senior; Ed Harrington, sophomore; and Charles Johnson, sophomore, vice president of the school organization. The group will attend sessions, Friday and Saturday.

#### WATER SHORTAGE

The worst water shortage Johnsonburg's history closed the high school Monday and threatened to halt work at the large New York-Pennsylvania mill, Chief Burgess Roy Nelson ordered water pipes west of the paper mill turned off as workers endeavored to pump water into the "bone dry" Decker town reservoirs. Residents east of the mill were warned to impose self-rationing as the supply in the Silver Creek reservoir, which serves the area, also is dangerously low.

#### MOORE FIRES ACE

Owen Moore, veteran Lakewood golfer, fired a hole-in-one on the 125 yard fourth hole at the Maplehurst Course yesterday afternoon. Moore was playing with Bob Supphen and George Lundquist. The linksmen fired with the sun in their eyes. While Moore and Supphen were looking for their ball, Lundquist walked by the cup and got to his ball on the green and found Moore's ball in the cup. It was the second ace at Maplehurst this season. Earlier John Simpson fired a hole-in-one on the same hole.

# Now driving's a joy!

More people buy Chevrolets than any other car!

It's so easy! Just set the lever to "Drive," press the accelerator, and you're off—swiftly, smoothly, without effort.

Forget the clutch pedal—there isn't any. Forget shifting—Powerglide does away with it. You just "sail away" as Chevrolet's big 105-h.p. valve-in-head engine responds to a touch of your toe.

More than 500,000 satisfied owners—more than a billion owner-driven miles—prove the dependability of Chevrolet's

sensational Powerglide automatic transmission.

But, remember, only Chevrolet offers Powerglide—as well as such fine-car features as Body by Fisher, Unitized Knee-Action ride, and Valve-in-Head engine design.

Your "discovery drive" is waiting for you. There is nothing in the low-price field to compare with time-tested and time-proved Powerglide. Come try it... soon!

## TIME-PROVED POWERglide

AUTOMATIC TRANSMISSION

#### POWERglide

##### Automatic Transmission\*

Gives you simplest, smoothest, safest no-shift driving at lowest cost. No clutch pedal—no gearshifting—not even a hint of gear changes in forward driving!

#### Extra-Powerful 105-h.p. Valve-in-Head Engine

Powerglide is coupled with the most powerful engine in the low-price field—Chevrolet's extra-efficient 105-h.p. Valve-in-Head Engine—the trend leader for the industry.

#### EconoMiser Rear Axle

Rear wheels travel farther at each engine revolution... fewer engine revolutions and less gas at highway speeds. Result: traditional Chevrolet economy in over-all driving.

#### Oil Does It All!

Oil replaces gears in the Powerglide Transmission. No direct mechanical connection between engine and rear axle. You have an infinite number of drive ratios.

Chevrolet alone offers this complete Power Team!

# Explode Paper GE's House of Magic Show Here

Warren school auditorium tonight, General Electric's "House of Magic" will be presented under the auspices of the Purchasing Agents Warren and the Turner Radio.

High school assemblies are scheduled for the afternoon, and a performance, open to the general public, is planned for the evening. Admission will be free, tickets may be procured at the Turner shop.

The paper explosion demonstration consists of attaching a paper to a shaft of a motor, and as it whirled faster and faster with a startling report, it "explodes" or flies apart. At the end of the explosion, a light is shown, leaving the shadow of the flying disk on a fluorescent screen.

The demonstration, which illustrates the manner in which the study of such objects as flying turbine wheels moving at high speeds, is one of many to be presented at the hour-long, "House of Magic" show. Rather than a magic show, as its name indicates, the show resorts to tricks, but presents merely interesting scientific phenomena displayed in General Electric's Research Laboratory at Schenectady.

In its seventeenth season, "House of Magic" has been seen by more than 13,000,000 people, including 2,500,000 at the York World's Fair alone, and more than 1,200,000 service men and women during the war years. It has been a feature of every major exposition since the Century Progress in Chicago.

### Customers' Corner

Food tastes and needs change with the seasons of the year.

In the fall, for instance, most family menus begin to feature more hot and filling dishes.

We strive always to see that our stores are stocked with the food our customers prefer.

If your A&P fails to keep pace with your changing seasonal tastes, please let us know.

Yuletide Displays Are Discussed At Jaycees Meeting

The Warren Junior Chamber of Commerce held its monthly meeting last night with vice president John Newmaker in charge. One of the important topics discussed was the Christmas Displays projects which the Jaycees have sponsored for the past three years. The club will meet in the near future to work on the project for this Christmas.

Other projects coming up include the Voice of Democracy contest conducted in cooperation with Warren County schools which is in charge of George Templeton. A Thanksgiving Dance is also planned with Joe Bunk making the arrangements for the annual affair.

President Harry Schmidt reported on his attendance in Harrisburg last week where he attended the state board of directors meeting and received two awards given to the Warren chapter for the best projects of the month. Warren Jaycees won first place for their safe driving contest and the Fourth of July Celebration.

Another new project undertaken by the club in the development of leadership training is their participation in a public speaking course at Warren High School. Enough Jaycees have enrolled to make the course possible and Miss Katherine Martin is the instructor. There are still some openings in the class which meets Monday evening at 7:30.

Propaganda Is Seen In New Moscow Note

(From Page One)

economic measures the U. S. has taken recently against Russia and the Soviet bloc and of President Truman's statement that agreements with Russia aren't worth the paper they are written on.

The rebuff convinced top American officials that at the moment Moscow is not interested in confidential negotiations like those which ended the Berlin blockade. They tabbed Vishinsky's response "propaganda."

NEW DAM DEDICATED

Bedford, Oct. 18—(P)—Opening of the new Shawnee flood control dam at Shawnee State Park thru open to the public a large water recreation area for boating, fishing and swimming. M. F. D. mel, state secretary of Forestry and Waters, spoke at the dedication yesterday. He declared if dam had been in operation in 1917 it would have retarded serious effects of the runoff in the famous floods of that year.

**Many From Area Attend Convention Held in Washington**

Several persons from the area were among the 43,500 who jammed Griffith's Stadium in Washington, D. C., over the weekend to attend the three-day meeting of the Jehovah's Witnesses.

Since 1900 the Witnesses have grown from 6,983 members to more than 425,000 members at present, according to an article in the Washington Post of Sunday, Oct. 14.

The founder of Jehovah's Witnesses was Pastor Russell who in 1872 started a Bible class among his friends, the article said. The Watchtower magazine, now published in 32 languages with a circulation of over a million, was begun in 1879. Pastor Russell was succeeded by Judge Rutherford in 1916 and the Judge was succeeded by the present leader, N. H. Knorr, who spoke on "Will Religion Meet the World Crisis" as the main address of the convention.

The main doctrine of the Jehovah's Witnesses can be stated as follows, said the Post's story:

The Bible is literally true. The second coming of Christ has already occurred, with the son of God here in "invisible presence." "Food shortages, earthquakes, wars" presage Armageddon, when Christ will destroy this "wicked" civilization "like a potter's vessel."

**Slight Decline In Employment During September Noted**

A slight decline in employment took place during September according to a report issued today by David W. Levine, Manager of the local Pennsylvania State Employment Service Office. The date received from 49 major Warren County establishments indicated a decline of approximately 1 per cent, or 68 fewer persons than a month ago. The firms included 1 per cent, or 68 fewer persons than a month ago. The firms included in the study account for 7,122 of the area's total jobs. The employment official explained that the drop primarily represented students returning to school who had been available only for summer work.

The current employment total for the firms included in the study exceeds last year's level by nearly 9 per cent, or 484. Growth in the manufacturing division accounted for more than 85 per cent of the advance indicated by the year-to-year comparison.

Mr. Levine stated that during the last week in September, only 71 persons filed for Unemployment Compensation benefits. The recent total is 19 below the figure for the comparable week in August.

Unemployment for Warren County is estimated by Mr. Levine at 250, or 2 per cent of the labor force. This figure includes persons normally between jobs. About one-half of those jobless are actively seeking work through the Employment Service.

## Ridgway, Dragon Foe on Friday Night, Has Five Wins Out of Six

The Ridgway Elkers have no intentions of being a kind host when they are visited by the Warren High Dragons under the arcs this Friday night.

Upset 21-13 by a surprising Kane High eleven in their season opener, the Elkers have come back to set a winning streak of five straight games. They have a 33-0 victory over Sheffield, beat Brookway 15-0, St. Marys 40-7, Brookville 26-6, and Sykesville 44-0.

In the meantime the Blue and White took three consecutive wins from Corry, Franklin and Titusville, and then lost to Oil City. Meadville and Bradford for a 3-2 record.

Although the Cultermen have had a pretty easy schedule so far, they will still be no pushover for Warren. But if the Dragons do some more ball playing like they

## Youngsville to Play St. Marys on Friday

Youngsville High Eagles will be in sad shape Friday night, when they invade St. Marys in search of their second win of the season.

Kickoff time for the contest is 8 o'clock.

Suffering four losses against one victory, the Frank Kamus boys will meet this weekend's foe with a list of injuries that could lick any team.

Starting left guard Pete Hodges is out of the game indefinitely with a head injury received in last week's game; Dick Wood, left halfback, acquired a charley horse during practice that is very likely to keep him out of the St. Marys game; and quarterback McChesney is ill.

To fill the vacancies Coach Kamus will put Dan Warner in to call signals, George Smith at left guard, and switch Chuck Morris from fullback to left half and place Meabon at fullback.

Other starters will be: Iler-son, It-Danuskie, C-Mouder, rg-Miller, rt-Hackman, re-Phanco, rh-S. Bailey.

did against the Bradford Owls, fans are in for a big treat.

The rivalry between the two schools dates back to 1915, playing only eight games from that time to 1930. Competition resumed again in 1939 and the two squads have been going at it annually since then.

The Leidigmen are way on top so far as the records say, having 15 wins, four losses, and one tie with the Elkers. During this time the Blue and White elevens have racked up 431 points to 129.

## ★ THE SCOREBOARD ★

### Cy Stood for Cyclone, but Young Inherited Control

BY HARRY GRAYSON  
NEA Sports Editor

**NEW YORK (NEA)**—Everybody believes that Denton Tecumseh Young was called Cy because he was a big farm boy whose trousers appeared sawed off at the ankles.

That wasn't so. Old Tuscarawas, now 84 recalls how he got the tag by knocking down a rickety grandstand in an early tryout in the old Tri-State League park in Canton, O.

A Boston baseball writer who happened to be present said it was as though a cyclone had hit the seating arrangements.

A pitcher has control when he can get his curve or breaking ball over the plate when he is behind the batter. That was what Allie Reynolds lacked in the opening game of the World Series.

Young, greatest of all pitchers, tells those working at the trade today an easy way to get control, and the fine old gentleman who had the original rubber arm didn't ask Darwin about it.

"I inherited control," says the man who won 511 major league games in 23 years, and retired only when he became too fat to field bunts. "My dad had it. My grandfather had it. When granddad was 75, he saw a wild turkey buzzard out in a field, picked up a stone and hit it between the eyes, killing it. I did a lot of that stone work—killed many a rabbit with a rock."

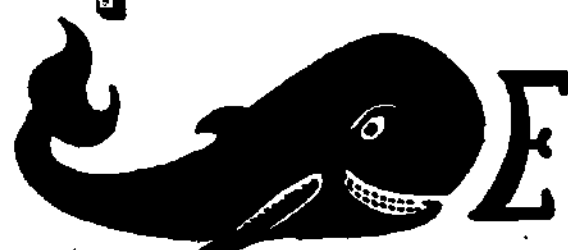

**YOUNG** discovered himself. He began playing with farm boys in 1882 at 16, played wherever there was an opening. When he pitched, he remembers having difficulty finding a catcher who could hold him. At 20, he pitched semi-professional ball in Wisconsin, Nebraska and Kansas.

"I walked into Canton, and simply asked for a job," he recalls. "I was there till July 4, when the league folded. Then I went back to the farm and waited till Cleveland picked me up." By July 4, 1890, young Cy Young had pitched in 27 games winning 14 and losing 13.

Cap Anson offered \$1000 for "the big Rube" following Young's major league bow, in which he twice struck out the White Stockings' manager, holding the famous Chicago club to three hits, Aug. 6, 1890. A pitcher is great now when he wins 100 games in a career. No one pitched as long or won as many games as Young, and his time was almost evenly divided between the two big leagues. No other pitcher participated in as many games, 874. He batted from 20 to 36 games a year for the Cleveland and St. Louis Nationals and the Boston Red Sox for 14 consecutive campaigns.

## Meadville - Oilers Share Sect. 2 Lead

As a result of last weekend's gridiron battle between the Meadville Bulldogs and the Oil City Oilers, the two District contenders still remain in a deadlock for top honors in the Section Two league race.

Battling to a 7-7 tie, each squad added 50 points to its previous total for a current average of 93 1/3 points.

In another conference scrap the Corry Beavers won an 8-0 decision over the Titusville Rockets.

This put the Corry eleven next in line with a 66 2/3 average, and dropped the Dragons down a notch with a 64.

The loss was Coach Red Lytle's third straight in league competition, placing them in the cellar with the Franklin Nursery.

Standings will remain unchanged until October 26 when Meadville plays host to the Corry Beavers and Titusville invades Franklin.

No league contests are slated for this week.
